

The latest on ETITO's review of security national qualifications

October 2010

ETITO continues to review the National Certificate in Security [Level 2] and the National Certificate in Security with strands in Court Security, Event Security, Mobile Patrol, Noise Control, Retail Security, Secure Transport, Site Security and Community Security [Level 3 or 4].

This review involves input from industry including representation from security companies, training providers, Police, and Maori Wardens and will be further informed by the evolving regulation required by Private Security Personnel and Private Investigators Bill recently passed through Parliament.
