

The latest on ETITO's review of security national qualifications

January 2009

ETITO has begun the review process for the National Certificate in Security [Level 2] and the National Certificate in Security with strands in Court Security, Event Security, Mobile Patrol, Noise Control, Retail Security, Secure Transport, Site Security and Community Security [Level 3 or 4].

A consultation group has been established, which includes representation from security companies, training providers, Police, and Maori Wardens – and two meetings have been held.

The consultation group is focusing initially on reviewing the Level 2 qualification, before examining the Level 3/4 qualification.
